Executive Summary

The Citrus College Adult Education Consortium (CCAEC) is one of 71 California consortia funded by the California Adult Education Program (CAEP). CCAEC members include Citrus College and five K-12 school districts: Azusa Unified School District (AUSD), Claremont Unified School District (CUSD), Duarte Unified School District (DUSD), Glendora Unified School District (GUSD), and Monrovia Unified School District (MUSD). The chartered K-12 adult education schools operating under the authority of each of the school districts are: Azusa Adult Education Center, Claremont Adult School, Glendora Adult School, and Monrovia Community Adult School.

CCAEC members just completed a comprehensive Three Year Plan for 2022-2025 and an Annual Plan for 2022-23. During the process to complete these plans, CCAEC stakeholders assessed current levels of enrollment, compared that with regional needs, identified gaps, established metrics to meet those gaps, created broad activities with SMART goals to measure outcomes, and evaluated how CAEP funding will ensure success.

The California Education Code that governs the CAEP system is California EDC §84900 to §84920 and California EDC §84906 dictates the process for completing a Three Year Plan. This Ed Code requires consortia to partner with workforce agencies to align regional efforts in providing workforce services to regional adults. Consortia are expected to evaluate levels of workforce services currently provided in their region and then partner with workforce agencies to bridge existing gaps. Consortia are also expected to align efforts with the federal Workforce Innovation and Opportunity Act (WIOA).

WIOA contains five Titles: Title I is the federal code that governs training funds for workforce development agencies and the Title II Adult Education and Family Literacy Act (AEFLA) provides funds to adult education schools so that they assist adults to become literate, to obtain employment skills, and to earn high school diplomas/equivalencies, as well as help immigrants to learn English and to grasp American government and culture. WIOA requires workforce development agencies who receive Title I funds to create formal partnerships with Title II AEFLA recipients (as well as a number of mandated partners, e.g. Job Corps, EDD, TANF, etc.)

Thus, both state and federal law are requiring adult education schools to align efforts with workforce development agencies and build employment and career pathways for regional adults.

CCAEC member institutions consider these state and federal workforce development requirements supremely important to our consortium mission. Strategies and activities to support regional workforce development were paramount in the CCAEC Three Year Plan and Annual Plan.

CCAEC members analyzed EDD Labor Market Information (LMI) data and consulted with regional AJCCs. LMI data for Los Angeles County depicts the sizeable labor shortages that exist in Healthcare (most notably Home Care Aides), hospitality (most notably food preparation), logistics, and manufacturing. CCAEC members have existing programs to help train these workers, but the far more significant problem is finding the potential employees to train. CCAEC

members are exploring increased marketing efforts and improved AJCC partnerships to become part of a regional solution to the labor shortages.

Critically, three CCAEC members are submitting Requests for Applications to earn AEFLA funding for 2023-2027. Azusa, Claremont, and Monrovia have signed Memoranda of Understanding (MOUs) with the Los Angeles County Workforce Development Board (WDB). Stakeholders for these CCAEC members, and, frankly, all CCAEC members are intimately aware of the WDB Local Area Plan (Plan) for 2021-2024 (in which Azusa and Monrovia are listed as MOU Title II AEFLA partners). CCAEC members support the Plan's Vision, Guiding Principles, and the LA County Board of Supervisors Initiatives and Strategy. CCAEC members support the WDB Plan's Economic and Business Development goals and its Performance Goals for Adults, Dislocated Workers, and Youth.

Thus, the primary purpose of this CCAEC Regional Workforce Development Plan (RWDP) is to support WDB Performance Goals. In the Three Year Plan and Annual Plan, CCAEC members have created meaningful metrics to address regional needs for adults in English language acquisition and diploma/equivalency attainment with the purpose of improving CCAEC student employment opportunities. This RWDP is further refinement of the Three Year Plan and Annual Plan. Included in the RWDP are:

- I. Demographic and Economic Characteristics of the Primary Cities CCAEC Schools Serve
- II. Regional Labor Market Information
- III. Regional Workforce Development Partners
- IV. Regional Employer Partners
- V. Plan Goals

Future iterations of this WDP (2023-24) will include an Action Plan with specific action items to make sure that CCAEC members achieve the goals of the plan.

Demographics & Economic Characteristics of Primary Cities Served by CCAEC

In the 2021-22 program year over 65% of students served by CCAEC member schools live in these 8 primary cities: Azusa, Monrovia, Claremont, Pomona, Glendora, Covina, Duarte, and Arcadia.

Annually, CCAEC faculty and stakeholders analyze the population characteristics of these major cities to identify regional gaps and better understand the communities we serve. Since our schools provide ESL, HSD/HSE, Citizenship, and short-term CTE programs, stakeholders analyze those characteristics in the regional population our member institutions serve. Included in this RWDP are Tables CCAEC stakeholders analyze to better understand the region we serve. Tables 1 - 3 below depict demographic data, as well Educational Attainment, Language Spoken at Home, and Naturalization data. Table 4 notes regional Poverty and Unemployment data.

Table 1 – Total Number Ethnicity/Race for Primary Cities Served by CCAEC

Regional Workforce Development Plan Goals

Below are the training goals for the consortium by program:

Program	Enrollment Goal	Completion Goal	Completion % Goal	Employed Q3 After Program Goal	% of Completers Employed Goal	% of Enrolled Employed Goal
Nurse Assistant Training Program	80	72	90.0%	66	91.7%	82.5%
Pharmacy Technician	55	50	90.9%	45	90.0%	81.8%
Medical Assistant / Secretary	35	32	91.4%	28	87.5%	80.0%
Security – BSIS Guard Card	65	63	96.9%	51	80.9%	78.4%
A+ / Computer Technician	5	5	100.0%	4	80.0%	80.0%
Construction	13	10	80.0%	8	80.0%	61.5%
Total	253	232	91.7%	202	87.1%	79.8%

The CCAEC Action Plan to achieve these goals is still in development. A robust Action Plan will be in the 2023-24 RWDP.
